

NEGROAMARO SALENTO IGT

DRY RED WINE

2020

A great red wine directly from Salento.

Serving Temperature: **16°-18 °C**

Characteristics: Deep garnet red in colour with violet reflections. Intense floral scents reminiscent of red currant and blackberry. The taste is harmonious, velvety and particularly structured, full and savory, pleasantly tannic.

Food Matches: It fits well with rich red meat or game. Great with roasts in general and/or accompanied by spicy dressings.

"Notes of black cherry jam with delicate oak spice. An attractive wine that is immediately pleasant to drink."
