**Abv: 12,5%**

**Serving Temperature: 18°-20 °C**

**Characteristics:**

Brilliant red in color with a purple rim, Sangiovese has an intriguing red fruit aroma with a hint of violet. It is a medium bodied wine, extremely easy to drink thanks to its dry harmonious taste, very soft tannins which perfectly match its low acidity. The finish is long-lasting and pleasant.

**Food Matches:**

Sangiovese is perfect for every course, Ideal with cold cuts, while relaxing with friends in the open air, soups, pasta and poultry.

**The expert's opinion:**

*"A shining example of harmonious composure, balanced in the primary notes and very expressive. Surprising how this wine is able to express the flavours of a land that inflames the soul of every winelover." Luca Maroni **96 /100***
