

2021 POLISH HILL RIVER RIESLING

PAULETTS CLASSIC REGIONAL RANGE WINES

VARIETY	100% Riesling			
FRUIT SOURCE	Polish Hill River in the Clare Valley			
VINTAGE	<p>Overall a very cool growing season with no major heatwaves, allowed for a slower ripening period than in the last few years, which helped flavour development. This allowed harvest at optimum maturity without the sugar content being too high. A weak La Nina event produced some good springs rains which assisted growing early in the season. Minimal damaging weather conditions such as frost, wind and hail with no disease pressure.</p>
