

White Label Petit Verdot 2020

Winemaker's Notes

The exceptional vintage of 2020 was warm and dry with perfect ripening conditions for Petit Verdot, resulting in exceptional varietal expression of aroma, colour, tannins and depth of flavours.

This wine has a bouquet of blueberries, dark cherry, plum and violets with cedary vanillin toasted oak characters. The palate delivers a powerful concentration of these fruits with subtle integration of cedary vanillin French oak.

This wine is ready for drinking now or will reward with cellaring until 2030.

Geoff Johnston
