

PIRRAMIMMA

EST 1892

Pirramimma Aged Tawny

Winemaker's Notes

Pirramimma has produced a portfolio of mature fortified wines for over a century. With our ancient solera system dating back to the early nineteen hundreds. All our fortified wines are matured in small oak casks, using fruit from our estate. Showing bright aged tawny and a hint of mandarin peel colour, displaying a bouquet of toffee, caramel and lifted brandy spirit. Rich and full bodied showing sweet old wood, chocolate, raisins and rancio characters. Luscious mouth feel, with a long lasting finish.

Geoff Johnston
