
BIRD'S EYE VIEW

Our Bird's Eye View Shiraz rises with the early morning sun over the world renowned McLaren Vale - quietly watching over corridors of precious vines and lush rolling hills. This is a wine that embodies growth, tranquility and the spirit of flight.

TASTING NOTES

Produced from low yielding McLaren Vale vineyards, this wine shows vibrant aromas of lifted raspberry and mulberry, with underlying violets and vanilla. Red fruit flavours and spice continue on the palate and combine with subtle oak and soft tannins to produce a perfectly balanced Shiraz. This wine is the ideal partner for a lamb roast or a summer barbeque with friends.
