RESERVE

SHIRAZ 2020

This Heathcote Shiraz is part of our carefully selected Reserve range that aims to epitomise the best these regions have to offer.

THE WINE

Rich and balanced showing lifted fruit aromas of plum, dark cherry and chocolate. A long, persistent palate well balanced with fruit sweetness and fine mocha oak.

THE VINEYARD

Sourced from a single vineyard in the middle of the renowned Heathcote region; a region famous for producing premium Shiraz. The vineyard's Cambrian soil allows the vines to consistently produce ripe, full flavoured fruit rich in berry and spice flavours with dark, deep red colour.

THE WINEMAKING

The 2020 harvest in Heathcote was a depiction of perfection with a long cool spring, and decent rain provided great health through the vineyard. The crops were light but super intense with the summer months warm and dry, producing outstanding quality of fruit. The fruit was selectively harvested on March 2nd, crushed to a small closed fermenter and pumped over daily. The wine was then pressed and matured in 40% new and 60% older French oak barriques for 18 months prior to bottling.
