Tasting notes

Colour: deep crimson with purple hues

Nose: The aroma is unmistakably Pinot, with dark cherry and berry fruit, ripe plum supported by subtle smoky oak and there are nice touches of violet and spice in the mix too.

Palate: Has a fine and elegant mouth feel. There are layers of flavour here, lovely fruit in the berry and cherry spectrum. Savoury complexity and soft tannins support the sweet fruit to give a rich mid pallet. This wine offers typical pinot noir character at a brilliant price
